
Paper No.: **07_1001**

Paper Title: **The Effects of Cognitive Behavior Therapy on Chronic Fatigue Syndrome
and its Potential Moderators: A meta-analysis.**

[ACHP 2013] Letter of Acceptance Notification

Dear William Cruz Molina

On behalf of the Scientific Program Committee of ACHP 2013, it is our great pleasure to inform you that your paper has been accepted for the 5th Asian Congress of Health Psychology (ACHP 2013), which will be held at Daejeon Convention Center in Daejeon, Korea during August 22- 24, 2013.

Presentation will be on 23rd or 24th of August, and it will be notified again in the middle of July.

Please note that your presentation time is 20minutes includes questions and answers. The times will be strictly enforced to maintain the conference schedule and provide ample time for questions.

The conference program is available in July at www.achp2013.org . Any other information for speakers and early registration is now available at <http://www.achp2013.org> as well.

The additional authors on your paper will not be notified separately. Please kindly forward this email to your co-authors, if applicable.

► **Registration:**

Please note that at least one author of each accepted paper should register for the conference by the early registration deadline (July 19, 2013). The registration is available at the ACHP web site (<http://www.achp2013.org>). We strongly suggest you to take advantage of the early registration including the reduced registration fee. Each registrant is requested to register separately.

► **Accommodation:**

The Organizing Committee of ACHP2013 is pleased to offer a wide selection of hotels with discounted rates near the venue (Daejeon Convention Center). Please note that the special discounted rate can be provided only when you make a reservation through this website. As rooms will be reserved on a first-come, first served basis, once room blocks at these hotels have been fully booked, we may not be able to secure further rooms with the hotels at the special rates quoted. Therefore, early hotel reservation is highly recommended.

► **Visas:**

To avoid delays in securing visas, we encourage international attendees to begin the process as early as possible. If you need an invitation letter for visa, please contact ACHP 2013 secretariat.

If you have any questions, please do not hesitate to contact us. (E-mail: achp2013@achp2013.org / Tel: +82-42-472-7462 / Fax: +82-42-472-7459)

Best Regards,

Young-gun Ko
Scientific Program Committee
